

Virtual Community Grab-A-Group

***Do you want to make a positive first impression at networking events or community meetings? Can't afford private coaching?
Do you know others in your circle who could benefit from presentation coaching?***

If you answered 'yes' to these three questions, then Grab-A-Group of four people, contact Red Cup Presentations and receive customized presentation coaching at a rate affordable to all.

Why Train with your Colleagues or Friends?

- Builds a stronger team
- You receive feedback from trusted colleagues or friends
- You see others experimenting and learning right along with you
- You learn from those who have had more experience
- Those with more experience learn from the novices
- You leave with tools and techniques to apply to any presentation
- You receive the benefit of group pricing.
